Dear Friends,

We invite you to join us for our November 11th ONLINE EMBRYO CLEARANCE SALE. This sale is a special opportunity to select some of our favorite matings from a lineup of our very best donors. We are selling this entire set of embryos "as is." We cannot guarantee these embryos in this clearance sale but are confident that you will find success with them.

We urge you to study this catalog and, if you have any questions, please feel free to reach out to any of us here at the ranch as we would love to discuss the donors and matings with you and how they have worked for us in our own program.

Note: Embryos are stored at TransOva in Iowa and will be released into the new buyer's name/account once payment has been received by Angus Live. Buyer is responsible for paying for shipping costs through TransOva.

Sincerely,

Larry Coleman
406.240.2751

YOU WILL NEED TO CREATE A NEW ACCOUNT, IF YOU HAVE NOT ALREADY, IN ORDER TO BID IN ANGUS LIVE AUCTIONS.

1. Go to <https://anguslive.com>
2. In the upper right corner, click the black "Sign In" box
3. A "Sign In" box will pop up. Click "Sign Up" in green text after the "Need to create an account?"
4. Just follow the prompts! Once you have completed the requested information, an automated verification email from us will then be sent to the email that you signed up with. Click on the "Confirm Email" link highlighted in the email from us to finalize your registration.
5. You are now able to bid in any auction and access your bidder portal (Buyers link in the heading) when you win.

Any issues with signing up or signing in on AngusLive.com please email sales@anguslive.com.

Our bidder portal is a quick-access hub to your auction wins and invoices. We'll store the record for you of lots you've won and invoices against the account you bid with.

IVF SEXED FEMALE EMBRYO. EXPORTABLE TO CANADA. Coleman Donna 0308 IS the program. This female is the #2 \$M cow in the breed who has Pathfinder status. She represents maternal, production, fertility, and longevity. She is 15 years old and is currently nursing another calf. She still has perfect feet and udder, and she is a female we are building a program around here. Very seldom do we sell embryos out of her anymore, so take advantage here! She has a progeny production record of BR 7/91, WR 7/108, and YR 6/105. She has generated \$695,500 on 36 head to average \$19,320 in past Coleman Angus sales. These are the kind that make you money year after year and keep a program in business. Here is a donor to build a foundation around. (Embryo Removal Date: 5/20/22).

IVF SEXED FEMALE EMBRYO. EXPORTABLE TO CANADA. Coleman Donna 3125 is a maternal masterpiece. She sold one-half interest as the Lot 1 female of the 2020 Your Maternal Source Sale at \$35,000 for a \$70,000 valuation to Rhodes Red Angus of South Dakota and has a progeny production record of BR 7/93, WR 7/108, YR 6/108, %IMF 8/104 with 17 daughters in production with an average nursing ratio of 101. This female is a direct daughter of the Pathfinder sire and \$160,000 Leachman Right Time back to the \$3.5 million plus producing Coleman Donna 714. She is an ideal Angus cow who reads with a high \$M and time-tested genetics from the very best in the breed. She is 12 years old and still has the look of a five-year-old female with tremendous rib, three-dimensional shape with perfect feet, and an ideal udder. Coleman Donna 3125 has produced \$253,000 on 20 head with an average of \$12,650 in past Coleman Angus sales. This featured female is the kind of cow that you want to incorporate into your program. She is the grandmother of Coleman Broker 3106 and Coleman Dependable 4182, two featured herd sires working in the program. (Embryo Removal Date: 3/22/24)

EXPORTABLE TO CANADA. Coleman Donna 439 is a featured Pathfinder dam and one of the all-time great females ever produced in the Coleman Angus program. These embryos are full sibs to the \$240,000 valued Coleman Donna 1448, the second top-selling two-year-old of the 2023 Your Maternal Source Sale. She was the featured Lot 1 female in the 2023 Your Maternal Source Sale where she sold for \$175,000 one-half interest for a \$350,000 valuation. Coleman Donna 439 is a cornerstone female who has produced over \$1,540,750 on 57 head and averaged \$27,031 through past Coleman Angus sales. She is the mother of an array of herd sires including Coleman Glacier 041, who was the featured Lot 1 bull of the 2022 Coleman Angus Spring Bull Sale where he sold one-quarter interest for \$270,000 as the record high-selling bull in Coleman Angus history. Other sons include Coleman Mission 1447, the \$55,000 second high-selling fall bull of the 2023 Coleman Angus Spring Bull Sale going to Gauglers Angus of Montana; Coleman Ranger 029, the \$30,000 feature through the 2021 Coleman Angus Spring Bull Sale going to Little Goose Ranch of Wyoming; and Coleman Ace 989, the featured and now-deceased herd sire. She has made a tremendous impact through her daughters which include the \$120,000 Coleman Donna 046, the \$97,500 Coleman Donna 028, the \$120,000 Coleman Donna 1448, and that is to name a few. Coleman Playmaker 429, a full brother, is a featured member of the GENEX Beef AI Stud and a calving-ease sire whose influence is still impacting today at the ranch. (Embryo Removal Date: 7/2/21).

IVF SEXED FEMALE EMBRYOS. Coleman Donna 023, a Pathfinder dam and a full sister to the record-selling Coleman Glacier 041, who sold for \$270,000 for a quarter interest. Coleman Donna 023 is the only full sister we have never sold and a female who continues to impress with her production. She has a progeny production record of WR 4/111, YR 3/106 with a calving interval of 363 days on four head. She has two other full sisters working in the program that are both Pathfinder dams and are high-selling females. Coleman Donna 046, a full sister, was a highlight of the 2022 Your Maternal Source Sale where she sold for one-half interest for \$120,00 to Ingram Angus for a \$240,000 valuation. Another full sister, Coleman Donna 028, highlighted the 2024 female sale where she sold one-half interest for \$97,500 to H2O Cattle and Southall Angus for a \$195,000 valuation. This donor dam has one of the top ratioing spring bull calves that will certainly get your attention in our February sale. (Embryo Removal Date: 4/4/25).

IVF SEXED FEMALE EMBRYOS. Coleman Donna 028 is a Pathfinder dam and a full sister to the \$270,000 record-selling Coleman Glacier 041. She is a daughter of the Pathfinder sire, SAV Renown 3439, back to the Pathfinder dam, Coleman Donna 439 and was the third top-selling pair of the 2024 Coleman Angus Your Maternal Source Sale where she sold for one-half interest for \$97,500 for a \$195,000 valuation. Her heifer calf sold the same day for \$30,000, Coleman Donna 4177. This featured female has a progeny production record of BR 2/91, WR 2/108, YR 2/111 and has a calving interval of 364 days. She stems from a Pathfinder dam with a progeny production record of BR 6/92, WR 6/106, YR 6/106 with 19 daughters in production with an average nursing ratio of 105. Coleman Donna 439, her dam, is a cornerstone female of the program who was the featured Lot 1 female of the 2023 Your Maternal Source Sale where she sold one-half interest at \$175,000 for a \$350,000 valuation to K&M Cattle of Indiana. She has generated \$1,241,750 on 43 head and has average \$28,878 in past Coleman Angus sales. Coleman Mission 1447, a maternal brother, was the \$55,000 second-high-selling fall bull of the 2023 spring bull sale going to Gaugler Angus Ranch of Montana. A full brother, Coleman Ranger 029, was the \$30,000 feature through the 2021 spring bull sale going to Little Goose Ranch of Wyoming. Full sisters of this female include Coleman Donna 046, the \$120,000 one-half interest for a \$240,000 valuation feature through the 2022 Your Maternal Source Sale going to Ingram Angus of Tennessee. Other full sibs include the \$37,000 Coleman Donna 720 going to Canadian Donors and KT Ranches of Canada, the \$26,000 Coleman Donna 042 working in the ZWT Ranch program in Tennessee, the \$28,000 Coleman Donna 8139 working in the Imhoff program in Oklahoma, and the \$17,000 Coleman Donna 057 working in the Griswold Cattle Company program in Oklahoma. EXPORTABLE TO CANADA. Coleman Donna 1430 is one of the most impressive four-year-old females at the ranch and a direct daughter of BC Robust 0807 back to the legendary Coleman Donna 4203. She was a top seller at \$155,000 for a \$310,000 valuation going to Lindskov LT Ranch in South Dakota. This maternal sister to the \$150,000 Coleman Banker 9215 is as attractive as you will find. She has superb front end extension with a beautiful udder and big hip in a maternal wedge-made package. Her dam has generated \$725,750 on 28 head in past Coleman Angus sales to average \$25,920 and is a full sister to the all-time, high-selling female in ranch history, Coleman Donna 8146. (Embryo Removal Date: 1/12/24).

IVF SEXED FEMALE EMBRYO. EXPORTABLE TO CANADA. Coleman Donna 7231 is one of my very favorite daughters of Coleman Donna 714 that we have ever had here. She was a female that I did not ever want to sell and if it was not for our dispersal of our summer-calving unit we would not have sold one-half interest in her at all. She sold one-half interest for \$60,000 for a \$120,000 valuation to Jocko Valley Ranch of Montana. She is a Pathfinder female who has a calving interval of 366 days on her first 5 calves and BR 6/96, WR 6/107, and YR 5/107. She has a tremendous son working in the Gaugler herd in MT. 7231 has a perfect udder and is very long spined, perfect on her feet, and very wedge shaped. This is one of the first times we have ever offered embryos from this great donor, so get in on the ground floor on a special sale offering by this very well-balanced female. She could be my very favorite Resource daughter out of 714 of all time. (Embryo Removal Date: 2/23/24).

EXPORTABLE TO CANADA. Coleman Donna 7232 has production records of BR 4/99, WR 4/108, and YR 4/106. Coleman Donna 7232 is throwing a tremendous amount of performance in her progeny, and she has the power to change one! She is extremely long and big hipped with a beautiful udder. The Resource X Donna 714 cross has been one of the best we have ever made here and this donor female has the potential to make a big time "Herd Bull". Her full sisters have all done a great job here and include the \$120,000 Coleman Donna 504, the \$70,000 Coleman Donna 7100, and the \$120,000 Coleman Donna 7231 a past feature of the 2023 Your Maternal Source Sale. (Embryo Removal Date: 9/6/24).

Coleman Donna 040 is a Pathfinder female with ratios of BR 7/98, WR of 107 and YR of 109 on her calves. This female is the #1 \$M cow in the breed who has Pathfinder status and is 15 years old. She represents maternal, production, fertility, and longevity. Donna 040 still has perfect feet and is very sound. She is a flush sister to Donna 063, who was the high-selling female in one of our past female sales and full brothers to this great female include Juneau 044, Manning 0299, and Rock 7200; all four of these individuals have had a tremendous impact on our program. She is a moderate-framed, extremely stout, long-bodied female that we are using in our program extremely hard. She has generated \$268,250 on 26 head to average \$10,317 in past Coleman Angus sales. (Embryo Removal Date: 4/21/23).

EXPORTABLE TO CANADA. Coleman Donna 5404, a true maternal gem who is by Great Plains back to the \$290,000 Coleman Donna 714. She was a highlight that sold as the \$30,000 one-half interest for a \$60,000 valuation in the 2023 Your Maternal Source Sale. She is a Pathfinder dam with a progeny production record of BR 8/99, WR 8/107, YR 7/108 and a calving interval of 360 with one daughter in production with an average nursing ratio of 102. Her son was a \$10,000 feature through our 2022 spring bull sale, and this female, over her lifetime, has averaged over \$8,166 in past Coleman Angus bull sales. Her full sister is Coleman Donna 5207. (Embryo Removal Date: 9/22/23).

EXPORTABLE TO CANADA. Coleman Donna 5222 is a Pathfinder female and she reminds me a bunch of Donna 714; they are full sisters-in-blood. "5222" has a calving interval of 352 days on her first three calves with a production record of BR 5/95, WR 5/105, YR 5/105. Extremely long sided, big, long level hip. We have pulled her out of production and have started flushing on her. We feel that she has big time potential for sure. This mating will be special. (Embryo Removal Date: 5/7/21).

Bar-E-L Bride 28C is sired by Bar-E-L Natural Law 52Y and is considered by many to be his greatest daughter. 28C headlined the 2022 Open Book Invitational at Brooking Angus Ranch in Canada and became the top-selling female of the event. She sold a \$75,000 flush in the 2023 Your Maternal Source Female Sale and has created quite a stir at Coleman Angus with visitors who saw her. 28C reads with an exquisite phenotype, beautiful udder, massive rib shape, and a beautiful, elegant front-end extension in a very complete, fault-free, high-quality package. It is very seldom that we buy outside genetics unless we feel they can move our program, but 28C fits the mold and style we love here. She produced three pregnancies that sold in the 2025 Your Maternal Source Sale and averaged \$20,000, and she also produced the \$30,000 feature heifer calf of last year's sale, Coleman Bride 435. (Embryo Removal Date: 8/25/23).

EXPORTABLE TO CANADA. Coleman Chloe 975 was the top-selling open heifer of the 2019 Your Maternal Source Sale where she sold one-half interest at \$60,000 for a \$120,000 valuation to Jocko Valley Ranch of Montana. This impressive female is a full sister to the \$450,000 record-selling Coleman Triumph 9145 and a full sister to an array of past top-selling females that include the all-time record-selling female in Coleman Angus history, the \$750,000 Coleman Chloe 9275; the \$150,000 top-selling bred heifer of the 2021 Your Maternal Source Sale who sold one-half interest for a \$300,000 valuation, Coleman Chloe 034; and an array of others. This outstanding donor dam went on to produce the top-selling open heifer of the 2023 Your Maternal Source Sale who sold for \$160,000 to LT Ranch of South Dakota, Coleman Chloe 2527. This remarkable donor female has generated \$440,000 on 19 head to average \$23,158 in past Coleman Angus events. (Embryo Removal Date: 8/6/25).

Bohi Abigale 6014 is the foundation Abigale female in the Coleman Angus program and more widely known as the mother of the Accelerated Genetics AI Sire, Coleman Charlo 0256. She has a progeny production record of IMF 16/102, UREA 16/106. She is also the mother of the \$50,000 Whitestone Millionaire and an array of high-selling females in the Coleman Angus program. Her daughter, Coleman Abigale 0277, has also been a dominant producer. (Embryo Removal Date: 11/5/21).

IVF SEXED FEMALE EMBRYOS. EXPORTABLE TO CANADA. Coleman Eriskay 291 has been a particularly good female here. She is the dam of Coleman Navigator 614, a proven bull that is leaving an extremely good set of daughters and whose sons have been topping our sales. Coleman Navigator 614 throws as much true muscle as any bull we have ever used here. Coleman Eriskay 291 has six calves with a calving interval of 367 and a production record of BR 8/88, WR 8/105 and YR 7/101. She has a perfect udder and is long sided, deep ribbed, and complete. Not very often do you have a female that is extreme low BW like her and then throws this much performance, complimented by an outcross pedigree. A chance to acquire genetics from an outcross dam with tremendous production records. (Embryo Removal Date: 6/30/23).

EXPORTABLE TO CANADA. TLA Beauty 5R is the now-deceased mother to Soo Line Motive 9016 who has seen tremendous use the past few years in our part of the world, both in leading registered herds and respected commercial herds. These will be some of the very last embryos we have out of 5R. 5R is extremely sound. She was 14 years old and still had a perfect udder. 5R weaned a bull calf by Resource that is a stud at 14 years of age. Demand for South America progeny is at an all-time high! "South America" has created quite a stir, he was the \$180,000 top-selling bull, the people's choice, and pick of the flush at the 2021 Cattlemen's Congress in Oklahoma. We rarely go and purchase bulls to bring into our program, however, he fits our visions, beliefs, and breeding philosophies. South America is a son of a past Palermo Grand Champion Bull, Don Aparicio Serrucho 57 Maxi, one of the great female sire makers in South America. His mother was selected as the heifer calf champion at the 2018 Palermo show, one of the world's most respected and admired shows. He is an individual with outcross genetics, tremendous shape, and extra center belly depth in a dense, eye-appealing package. Visitors here to the ranch have loved him, he's having a major impact on our program. (Embryo Removal Date: 6/4/21).

Thank You

COLEMAN ANGUS
YOUR MATERNAL SOURCE
