Dear Friends,

We hope that you can join us for our April 21st online embryo and semen sale hosted by Angus Live. We feel that we have an excellent lineup to offer on Tuesday evening by some of our most prominent as well as favorite donor females and some of the most talked about and proven bulls in our breed today.

Our goal is to offer genetics that you can take into your own programs and find success with. If you have any questions at all, please reach out to any one of us at the ranch and we would welcome the opportunity to discuss the sale offering further with you.

If you have not bid through Angus Live before and need assistance, please call our tech at 469-224-7925.

Thank you very much for your interest!

Sincerely,

Larry Coleman

Coleman Program 593 is the \$270,000 top-selling bull of the 2026 Coleman Angus Spring Bull Sale where he captivated cattlemen from all over the world. He is a son of the outcross sire, Palermo, back to the Pathfinder dam, Coleman Donna 787. He is as good as we have ever produced at Coleman Angus for phenotype, power, mass, structural correctness, body dimension, and has a flawless stride when in motion. We have not produced an individual that has this kind of three-dimensional shape from front to rear with as explosive of hip structure and width from behind. His Pathfinder dam has generated \$1,687,000 on 27 head in past Coleman Angus sales. A full sister was the \$150,000 valued second top-selling heifer calf of the 2025 Your Maternal Source Sale, Coleman Donna 512. Other maternal sisters include the \$400,000 valued Coleman Donna 928 and the \$150,000 valued Coleman Donna 3630. He is also a maternal brother to the \$210,000 top-selling bull of the 2024 Coleman Spring Bull Sale, Coleman Maternal Source 356. Here is an exciting new herd sire that will be used heavily in our program.

Bar-E-L Bride 28C is sired by Bar-E-L Natural Law 52Y and is considered by many to be his greatest daughter. 28C headlined the 2022 Open Book Invitational at Brooking Angus Ranch in Canada and became the top-selling female of the event. She sold a \$75,000 flush in the 2023 Your Maternal Source Female Sale and has created quite a stir at Coleman Angus with visitors who saw her. 28C reads with an exquisite phenotype, beautiful udder, massive rib shape, and a beautiful, elegant front-end extension in a very complete, fault-free, high-quality package. It is very seldom that we buy outside genetics unless we feel they can move our program, but 28C fits the mold and style we love here! These are IVF Embryos (Trans Ova). We are selling three embryos in this mating and guaranteeing one pregnancy. The buyer has the option to take six embryos out of this mating and we will guarantee two pregnancies. These embryos have been sexed for females, 90-95% accurate.

Coleman Donna 023 is a Pathfinder dam and a flush sister to Coleman Glacier 041, the #1 \$M bull in the breed who has daughters in production. He is the top-selling bull of the 2022 spring bull sale. 023 is also a flush sister to Coleman Donna 046, who sold for \$120,000 one-half interest to Ingram Angus in Tennessee. When Jeremy and I were trying to pick out our two favorite sisters to Glacier, it came down to these two females: 023 and 046. Jeremy's favorite was 023 and mine was 046, so we flipped a coin to see which female to put in the sale. Coleman Donna 023 is a stout, deep-bodied female with a beautiful udder. She has a progeny production record of WR 4@111 and YR 4@108. These are IVF Embryos (Trans Ova). We are selling three embryos in this mating and guaranteeing one pregnancy. The buyer has the option to take six embryos out of this mating and we will guarantee two pregnancies. Embryos are exportable to Canada. These embryos have been sexed for females, 90-95% accurate.

She has generated \$52,500 on eight head to average \$65,188 in past Coleman Angus sales. Coleman Donna 4203, a full sister to the dam, was a past Lot 1 female that sold one-half interest for \$45,000 for a \$90,000 valuation to Fish Creek Ranch of Montana. She produced the \$150,000 valued Coleman Banker 9215; the \$310,000 valued top-selling two-year-old female from the 2023 YOUR MATERNAL SOURCE Sale, Coleman Donna 1430; the \$90,000 valued Coleman Donna 9220, who was the featured Lot 1 female of the 2021 fall production sale going to Richburg Angus of Texas; the \$37,500 Coleman Donna 9310, the \$32,500 Coleman Donna 2416, the \$27,500 Coleman Donna 2439, the \$27,500 Coleman Donna 2460, and the \$27,500 Coleman Donna 2478. Coleman Donna 8146, a full sister, was the 2023 lead-off female in the YOUR MATERNAL SOURCE Sale where she set a new Coleman record as the highest valued female ever sold at the ranch where she brought \$375,000 for one-half interest for a \$750,000 valuation to ZWT Ranch of Tennessee. Her heifer calf at her side was the second top-selling heifer calf of the day at \$100,000 going to Jocko Valley Ranch of Montana. Her dynamic grandam, Coleman Donna 714, is one of the most heralded females of the breed where she has generated at Coleman Angus \$3.5 million on 169 head to average \$20,674. She is the mother of an array of AI sires that include: Bravo, Rock, Resolve, Summitt, Regis, Charlo 3212, Knight, Venture, Manning, Juneau 044, and Playmaker. Coleman Chloe 331 is another featured three-year-old female in the program by the #1 \$M bull in the breed with daughters in production, Coleman Glacier 041, back to the legendary Coleman Chloe 9275. If you are looking for a power female with substance, mass, added size, and performance with added body and dimension, she is one to look at. She has a progeny production record of BR 1@92, WR 1@112, and YR 1@115. Her mother, Coleman Chloe 9275, is a female who has generated \$1,881,000 on 71 head to average \$26,493 in past Coleman Angus sales. The grandmother has 14 sons working in purebred programs around the country. This donor female is a maternal sister to Coleman Platinum 2622, Coleman Maternal Balance 3734, and many others. Here are genetics from one of the newest females to make her way to the ET center. These are IVF Embryos (Trans Ova). We are selling three embryos in this mating and guaranteeing one pregnancy. These embryos have been sexed for females, 90-95% accurate.

Coleman Donna 376 is the dam of "Resource 708" and defines "Maternal Efficiency." No other cow on the ranch will wean a larger percentage of her body weight than 376. 376 has a production record of BR 5/91, WR 4/103, and YR 4/102. At 10 years of age, 376 has perfect feet, perfect udder, and still is raising a heifer calf that will be a very high percentage of her body weight. We have offered very few embryos for sale out of her and we don't plan to sell many of these in the future. These are IVF embryos (Trans Ova). Coleman Everelda Entense 2406 is a Pathfinder donor female and direct daughter of Coleman Juneau 044 back to the foundation Everelda Entense in our program, BT Eveleda Entense 613L. Ingram Everelda Entense 7621, a daughter, sold one-half interest at \$40,000 for a \$80,000 valuation in the 2021 fall production sale at Ingram Angus; through that same event, she produced the top-selling bull at \$37,000 one-half interest for a \$74,000 valuation, Ingram Intensity 0300, who is enrolled at Breeders Link. Everelda Entense 2406 is a flat-out producer, as she records a progeny production record of BR 8@94, WR 8@109, YR 6@104, and IMF 2@110. Ingram Intensity 0300, a grandson, was the \$74,000 valued top-selling bull of the 2021 Ingram Angus Fall Production Sale. This outstanding individual is loaded with dimension, body, and extra muscle shape in a sound-structured, attractive package. These are IVF Embryos (Trans Ova). We are selling three embryos in this mating and guaranteeing one pregnancy. The buyer has the option to take six embryos out of this mating and we will guarantee two pregnancies.
