% Where Maternal Still Matters %

COLEMAN GLACIER 041 – The No. 3 \$M bull in the breed among current sires.

COLEMAN DONNA 714 – The No. 2 cow in the breed for \$M that is 19 years of age or older.

COLEMAN DONNA 0308 – The No. 2 cow in the breed for \$M that is a Pathfinder and 16 years of age or older.

COLEMAN DONNA 040 – The No. 1 cow in the breed for \$M that is a Pathfinder and 16 years of age or older.

At Coleman Angus, we believe it all starts with the Momma cow and our focus on this has never wavered. Since the very beginning, we have been dedicated to producing Angus cattle that are practical, problem free, and economically rewarding. We were very excited when the American Angus Association came out with the Maternal Plus program and, although this is a voluntary program, we have been a member from the very beginning.

When making mating decisions, we have never focused on EPDs but rather used our eyes when selecting for foot quality, udder quality, disposition, fertility, mothering ability or lack of, and fleshing ability. We pay attention to production records, calving intervals, and nursing ratios and this has never changed. It is rewarding for us that the voluntary data we have been turning in from the very beginning, and our aggressive selection pressure on these maternal traits such as breeding and culling for from the very beginning, line up with the \$M index.

We feel that it is very important to understand all the EPDs that go into \$M. It is not about selecting for a single trait but rather a **BALANCE** of traits that we feel is the key to the puzzle if your focus is on producing great Angus females. We have earned the Maternal Plus logo by meeting American Angus Association's total herd reporting requirements. Not only does this data help Coleman Angus but, more importantly, assists our customers with information needed to make sound selection decisions.

The Coleman program has been built the old-fashioned way--in the pasture where maternal is measured by production records and longevity and where Pathfinder® still means something.

As you study the AHIR data base at the American Angus Association, Coleman Angus has the **#1** (Coleman Donna 040) and **#2** (Coleman Donna 0308) **\$M females in the breed that are 16 years of age or older with the Pathfinder® status.** These cattle in this year's sale truly measure maternal strength!

Throughout this sale offering, you will notice that we have built this program on the best genetics we could find. As represented in this catalog, you will find an array of full and half sisters that are from our embryo transfer program. We believe in moving forward from the very best that we have built from day one. We believe in **quality** and not quantity.

\$M is the stockman's EPD and the genetic indicator that factors into real world economic production records for both seedstock and commercial cattlemen alike.

Maternal IS More Than Just A Number – It Is A VALUE Based On ALL These Combined TRAITS:

Calving Ease Direct	(CED)	Heifer Pregnancy	(HP)	Docility	(Doc)
Calving Ease Maternal	(CEM)	Teat Size	(Teat)	Mature Cow Weight	(MW)
Weaning Weight	(WW)	Udder Suspension	(UDDR)	Claw Set	(Claw)
Milk	(Milk)	Functional Longevity	(FL)	Foot Angle	(Angle)

WWW.COLEMANANGUS.COM

On behalf of Coleman Angus, we want to thank you for taking the time to review our 2026-2027 Sire Directory. We feel this is the deepest, strongest set of sires we have ever had, as well as some of the most exciting times ahead in the beef industry.

There are a multitude of sires to choose from within our program, each backed by the very best cows in our herd. Our beliefs have not changed over the years; we still stand firmly by the fundamentals of the beef industry: production records, longevity, Pathfinder status, structural integrity, fleshing ability, and overall phenotype. As you flip through this sire directory, you will find cattle that have been bred for generations based on those simple but vital traits.

We believe in bulls that have three-dimensional shape, true muscle expression, and exceptional structure, enabling them to thrive in the harshest environments across the country. Our bulls sire females with excellent udders, maternal function, and the ability to raise big, stout, pounds-heavy calves. These calves stand out not only in performance but in eye appeal, structural soundness, and longevity.

At Coleman Angus, our breeding philosophy remains centered around building functional, fertile, and efficient cattle that work for real-world cattlemen and cattlemen. Our commitment to maternal strength, practical performance, and long-term profitability is unwavering. Each sire in this directory represents years of intentional selection and disciplined breeding decisions that prioritize real value over short-term trends.

We are proud to offer sires that will leave a lasting impact on your program — Bulls that will sire productive daughters and performance-driven offspring all while maintaining the kind of phenotype and structural integrity we believe in. Whether you are looking to improve maternal strength, add pounds at weaning, or enhance the longevity and quality of your cow herd, we are confident that you will find value in this lineup.

Thank you again for your interest and support. If we can be of assistance in helping you find the right sire for your operation, please don't hesitate to reach out.

Sincerely,

Larry, Dee, Erica, and Dawson Coleman

Jeremy and Jenny Haag

- Coleman Dependable 4182 is backed by generations and generations of dependable Pathfinder donor females in his pedigree and his sire, the \$135,000 Coleman Easy Decision 1539, is a featured member of the Select Sires AI program.
- His Pathfinder dam, Coleman Donna 044, has a progeny production record of BR 4@91, WR 4@113, YR 4@111 with a 354-day calving interval. She is a daughter of the \$70,000 Coleman Donna 3125.
- Dependable is a calving-ease expert with a tremendous presence and look coupled with added performance and high \$M genetics backed by five generations of Coleman Angus donors, not to mention that he has Coleman Rock 7200 and Pathfinder dam, Coleman Donna 7386, in his pedigree.
- Coleman Dependable 4182 is a bull that we have used heavily in our program and is named properly as we feel he is as dependable of a sire to use in all aspects of the breed today displaying calving ease, power, mass, added volume, and ideal breed character.

- Owned with Ingram Angus, Pulaski, TN; Southall Angus, LLC, Franklin, TN, and Voss Angus, Dexter, IA.
- Coleman Maternal Balance 3734 was the 2025 lead off bull of the Coleman Angus Spring Bull Sale and the \$260,000 one-half interest purchase of Ingram Angus and Southall Angus, LLC of Tennessee. He captivated breeders across the country during the 2025 spring sale season and has been an impressive individual from day one.
- Maternal Balance is in one of the most complete, fault-free packages you will find anywhere in our breed. He has explosive muscle shape and a big top with tremendous depth of body in a perfectly structured skeleton; he stands on a perfect foot combined with phenomenal growth and performance in a highly maternal package and stems from one of the all-time great females in the Coleman Angus program, Coleman Chloe 9275.
- He had an individual weaning ratio of 114, yearling ratio of 115 and stems from a Pathfinder dam who records BR 3@95, WR 3@116, YR 3@122, UREA 3@118 with three daughters in production with an average nursing ratio of 105.
- Coleman Chloe 9275, his dam, is a great herd-sire producing female as she produced the \$125,000 Coleman Arrowhead 235 working in the Voss Angus program in Iowa, the \$40,000 Coleman Mahomes 2216 working in the McCurry Angus Ranch program in Kansas, the \$170,000 Coleman Platinum 2622 working in the Arrowsmith Red Angus and TK Angus programs in Nebraska, the \$225,000 Coleman Security 428 working in the Voss Angus program, the \$37,500 Coleman Concrete 441 working in the Talkington Angus program in North Dakota, Coleman General 431 and Coleman Flagstone 420 working in the J.J. Scheckel Angus program in Iowa, the \$42,500 Coleman Bond 433, and the \$47,500 Coleman Pablo 423 working in the TK Angus program along with many others.

- Owned with Sandford Ranches, LLC, Greenwood TX; Ingram Angus, Pulaski, TN.
- Coleman Rock is one of the most special individuals ever produced at Coleman Angus. He was the \$240,000 one-half interest for a \$480,000 valuation top-selling bull of the 2022 Your Maternal Source Sale going to Sandford Ranches of Texas and Ingram Angus of Tennessee.
- Rock has a timeless pedigree from a consistent lineage of great-producing Donna females and is the son of Pathfinder sire, OCC Juneau 807J, back to the \$3.5 million producing Coleman Donna 714, who has a progeny production record of BR 4@89, WR 4@115, YR 3@112, U%IMF 12@101 with 184 daughters in production and an average nursing ratio of 102.
- Rock combines a tremendous physical physique in terms of added muscle and depth of body in a powerfully high-performance package while carrying on the tradition of Coleman Angus for high \$M genetics.
- Coleman Donna 063, a full sister, was the featured Lot 1 female of our 2016 Your Maternal Source Sale and sold for \$80,000 to Lawson Family Farms of Virginia. Other full sisters include the \$68,000 valued Coleman Donna 769 working in the Ingram Angus program in Tennessee; Coleman Donna 756, the \$20,000 feature to Nolan Cash of Canada; the \$60,000 valued Coleman Donna 7201, a feature in the Southall Angus, LLC program in Tennessee; and the No. 1 \$M cow in the breed for a Pathfinder and 16 years of age or older, Coleman Donna 040.

- Owned with Sandford Ranches, LLC, Greenwood, TX; Bucksnot Ranch, LLC, McEwen, TN.
- Palermo was the second top-selling bull of the 2024 Coleman Angus Spring Bull Sale where he sold one-third interest at \$175,000 for a \$525,000 valuation to Bucksnot RR Ranch. He is a direct son of Serrucho, the two-time Palermo champion back to Rubeta Fontana 7567-T/E, who is considered one of the most unique females in Argentina and has gained the nickname “Tank” for her added body mass, big top, stout hip, and tremendous balance and quality.
- He is as impressive of an individual as you will find from a mass and power standpoint with three-dimensional shape in an attractive, sound-structured package with perfect feet. Palermo is a full brother to the \$180,000 Coleman Angus and Hummel Livestock herd sire, South America.
- In the 2024 Your Maternal Source Sale, Palermo’s first ever daughter selling at public auction, Coleman Donna 4162, sold for \$70,000 as the second top-selling spring open heifer calf of that event. His sons, through the 2026 Coleman Angus Spring Bull Sale, generated \$985,000 on 35 sons with an average of \$28,143.

- Owned with Jack Draughdrill, New Hebron, MS.
- Coleman Maternal Source 356 is the \$210,000 top-selling bull of the 2024 Spring Coleman Angus Bull Sale where he sold one-half interest for a \$420,000 valuation to Southall Angus, LLC.
- He is one of the most talked about bulls from the 2024 spring bull sale season and is a son of the \$180,000 outcross sire, South America, back to a Pathfinder dam, Coleman Donna 787, who has a progeny production record of BR 6@87, WR 6@107, YR 6@108 and 11 daughters in production with an average nursing ratio of 102.
- Maternal Source is a tremendous breeding sire with added width from front to rear in a big-barreled, high-volume, dense package. His Pathfinder granddam was the \$80,000 featured Lot 1 female of the 2016 Your Maternal Source Sale and top-selling female through that event going on to be an outstanding donor female for the Lawson Family Farms program in Virginia.
- An array of daughters will sell throughout this event.

- Owned with Hummel Livestock, Cabery, IL.
- South America is the first of his kind to ever come to the United States. He adds muscle shape with added body and performance in the right kind of package. His tremendous outcross genetics give programs around the world the opportunity to capitalize on these impressive traits.
- South America sold for \$180,000 one-half interest in the Night at Remington Park Sale at the 2021 Cattlemen's Congress. He captivated cattlemen from all over the world and was the pick of the pen and the people's choice of him and his brothers.
- He is a direct son of Don Aparicio Serrucho 57 Maxi, the only two-time Palermo champion in Argentina. He stems back to one of the great producing dams in the La Rubeta program and the female they call "Tank," who earned this name for her overwhelming body, fleshing ability, and three-dimensional design.
- South America has had a tremendous impact at Coleman Angus, and he has generated \$3,135,515 on 149 head to average \$21,044 in past Coleman Angus sales. Some of his major highlights include the \$210,000 one-half interest for a \$420,000 valuation Coleman Maternal Source 356, the \$90,000 one-half interest for a \$180,000 valuation Coleman World Wide 2562, the \$80,000 one-half interest for a \$140,000 valuation Coleman Patron 269, and the \$70,000 one-half interest for a \$140,000 valuation Coleman Mendoza 271.
- South America has established himself as one of the most influential imported bulls ever in the breed.

FINTAIL RANCH

- Owned with Fintail Ranch, Twin Bridges, MT.
- Coleman Statement 5120 is the \$140,000 one-half interest, third top-selling bull of the 2026 Coleman Angus Spring Bull Sale and a bull who was named properly; when you see him, he will make his own statement.
- He is one of the very best sons of Coleman Resource 708 ever produced in the Coleman Angus program in a calving-ease package. He has a unique EPD set with low birthweight genetics, explosive growth, and unprecedented \$M values.
- His pedigree is second to none blending Coleman Donna 376, Coleman Donna 714 (the No. 2 cow in the breed for \$M that is 19 years of age or older) and Coleman Donna 199 into a powerful genetic package. He had a light birthweight of 79 pounds and a 205-day weight of 924 pounds and ratioed +93 for birth and +116, respectively.
- Coleman Donna 199, his dam, is a major league donor in the program and ranks No. 2 in the breed for \$M that is a Pathfinder among current dams in AHIR at the American Angus Association. She is a long-bodied, smooth-made, perfect-udder female in a wedge-shaped package and is highly productive with a progeny production record of BR 3@90, WR 3@107, YR 3@106 and a 367-day calving interval. She is a flush sister to the calving-ease bull and \$150,000 Coleman Banker 9215.

- Owned with Gaugler Angus, Judith Gap, MT.
- Coleman Resource 708 is one of the most impressive Angus bulls that you will lay eyes on and a bull who has proved himself the old-fashioned way. He has been a visitor favorite of many!
- 708 has done a tremendous job in the Gaugler Angus Ranch program in Montana, and his daughters at Gaugler's have beautiful udders, are easy fleshing, have perfect structure and feet coupled with excellent calving ease, extra muscle shape, and wonderful maternal strengths.
- He is a son of Resource 1441 and brings the best of the 707 lineage to the front of the pedigree. He is by a daughter of Coleman Manning 0299 back to the \$93,000 record-selling Coleman Donna 005, who is a daughter of the outcross sire, N Bar Shadow X4124, and the \$200,000 Coleman Donna 386.

- Owned with: Voss Angus, Dexter, Iowa.
 - Coleman Galactic 1164 is the \$150,000 top-selling yearling bull of the 2022 Coleman Angus Spring Bull Sale going to Voss Angus of Dexter, Iowa. He is a tremendous individual with exceptional breed character and smooth patterned with massive rib design in a high-quality, super sound-structured package.
 - His daughters have beautiful udder design in a wedge-shaped package and look as maternal as you can make them. They weaned off stout, pounds heavy calves while maintaining their flesh and bred back.
 - His Pathfinder dam has an outcross pedigree being by Cole Creek Black Cedar 46P and back to the cornerstone Eriskay female in the program, Coleman Eriskay 291, the mother of Coleman Navigator 614.
 - Galactic is certainly a sire you will want to keep your eye on.
-

- Owned with Arrowsmith Red Angus, Mills, NE; TK Angus, Wood Lake, NE; Voss Angus, Dexter, IA.
- Coleman Platinum 2622 was the \$170,000 one-half interest, top-selling bull of the Your Maternal Source Sale at Coleman Angus in the fall of 2023 and has been a standout from day one. He represents a true beef bull and is a milestone breeding achievement with a tremendous calving-ease pedigree blended with superior growth and performance, a breed improving number profile, and cow family strength for generations.
- Coleman Chloe 9275, his dam, is the all-time, record-selling female in Coleman Angus history and has established herself amongst the best in the breed; she has generated \$1,599,000 on 33 head to average \$48,555 in past Coleman Angus events.

- Owned with Vannoy Cattle Co., Greenough, MT.
- Coleman Hondo 022 is a featured herd sire at Coleman Angus and a full brother to the \$450,000 valued Coleman Triumph 9145.
- He is a spectacular individual who is moderate, easy fleshing with tremendous muscle shape and comes in a great-patterned package. He sires cattle that are moderate and compacted with excellent shape, width, and more pulled apart in their overall skeleton.
- His mother is the \$300,000 Lawsons Chloe C815, the foundation Chloe female here at Coleman Angus who has established herself as one of the great-producing donors in the program generating \$1.8 million on 69 head to average \$26,826 in past Coleman Sales. His dam is also the mother of herd sires such as Triumph, GPS, and Navigation; more notably, she is the mother of one of the iconic matings in breed history where she produced 9275, 034, 975, and a long list of others.

- Coleman Triumph 9145 is among one of the most popular sires in the industry. He was selected as the top-selling bull of the 2020 Coleman Angus Fall Production Sale at \$225,000 and has gained the attention of cattlemen across the Northern Hemisphere.
- Triumph sires cattle with tremendous phenotype, added depth of body, and a great look from the side. His offspring have a notch more scale and perform with the best of the genetics in our industry. His daughters have gorgeous udders with perfect teat size and placement.
- His mother, Chloe C815, has established herself as one of the tremendous, proven-producing females in the Coleman Angus herd. She produces the top-selling females in our fall production sales. His dam is also the mother of Hondo, GPS, and Navigation, and she has generated \$1.8 million on 69 head to average \$26,826 in past Coleman Angus sales.
- Full sisters to Triumph include the \$750,000 valued Chloe 9275, the \$300,000 Chloe 034, the \$300,000 valued Chloe 2479, \$120,000 Chloe 975, and many others.

- Owned with Voss Angus, Dexter, IA.
- Coleman Security 428 was the second top-selling bull of the 2025 Coleman Angus Spring Bull Sale where he sold for \$225,000 to Voss Angus of Iowa.
- Security is an extremely impressive individual by the now-deceased Semex AI Sire, SAV Renovation 6822, and he is loaded with tremendous body and three-dimensional shape in an extremely attractive package.
- He is backed by one of the all-time, great donor females in the Coleman Angus program and Pathfinder dam, Coleman Chloe 9275, who was the \$375,000 one-half interest record-selling female of the 2021 Your Maternal Source Sale for a \$750,000 valuation to Voss Angus; she has a progeny production record of BR 3@95, WR 3@116, YR 3@122, UREA 3@118 and three daughters in production with an average nursing ratio of 105. Chloe 9275 is a full sister to the record-selling \$450,000 Coleman Triumph 9145 and an array of top-selling full sisters as well as being the mother of a tremendous lineup of past top-selling herd sires including Platinum, Maternal Balance, Bond, Arrowhead, Mahomes, General, Concrete, Flagstone, Pablo, Liberty, and Freedom.
